

BETWEEN YOU AND ME

by Stanley Orris

It is now evident that there is to be definite development in Champion. It is to be hoped that everyone will do all they can to cooperate with the new development and welcome our new residents.

Virginia Farmer and Elva Clapp visited Lethbridge on Wednesday to take their examinations for the Royal Conservatory of Music.

OUR TOWN

Mr. and Mr. J. S. Hardisty, of Spokane, Wash. are celebrating their fiftieth anniversary on Friday, July 3. To honor them their friends in Champion held a post card shower. Many old friends sent them post cards wishing prolonged health and happiness. Mr. and Mrs. Hardisty homesteaded on the farm now occupied by Harvey Beaubier, in 1905.

Fire of unknown origin destroyed a barn and shed on the farm of W. E. Watkins on Tuesday afternoon. A truck which was in the barn was completely burned. Some chickens were also lost. Mr. and Mrs. Watkins were in town a few minutes before the fire broke out. Neighbors and townspeople rushed to the scene of the fire to help fight it but lack of adequate water supply prohibited effected assistance.

Blanche Urquhart was thrilled Saturday evening when she heard Gordon broadcast to her from England over the CBC.

Mrs. Steve Fath and Mrs. Mary Beingsesser left Tuesday for Nakusp where they will visit with relatives.

Miss Dorothy Flanagan left Tuesday for her home at Oide.

Local Notes

George Scott Wighton, son of Mr. and Mrs. George Wighton has been enlisted in the RCAF at Calgary as an Airframe mechanic.

The School Board has engaged two new teachers to complete the staff for the 1942-1943 term. Mr. W. L. Neville has been appointed principal. He is now at the University of Oregon finishing up work for his degree. He has been teaching at Wimburn, Alta. Miss Edythe Lockwood is the other teacher. She has been teaching at Springbank; her home is in Calgary.

The school staff presented Miss Flanagan and Mr. and Mrs. Inman with silver sandwich trays on the occasion of their severing connections with the school here.

On Monday evening the Junior I.O.D.E. held their regular monthly Hostess Club night when they entertained the airmen from Vulcan airport in the Community hall. During the evening a presentation was made to Sidney Lindstedt who had acted as master of ceremonies at the hostess club functions during the year. Mrs. R. Bond made the presentation.

Mrs. E. H. Freeze entertained the ladies of the I.O.D.E. at a breakfast on Tuesday morning at her home. The occasion marked the farewell to Mrs. R. B. Inman who is leaving Champion. Mrs. Inman had been treasurer the Lael Chapter for the past two years. In appreciation of Mrs. Inman's work for the Chapter, Mrs. R. Bond presented her with two lovely tea cups and saucers. In making the presentation Mrs. Bond wished Mrs. Inman happiness and good fortune in her new sphere.

Mrs. Timothy Kelly of Smooth Rock Falls, Ont., mother of Mrs. Chas. McLean, is recovering from a serious illness and is convalescing at the home of Dr. and Mrs. M. Raia of New York. Mrs. Raia is a daughter.

Mr. and Mrs. J. A. Mark and Mr. and Mrs. L. V. Stout were Calgary visitors Wednesday and Thursday.

Send a parcel to a soldier.

Weddings

The grounds of the home of Mr. and Mrs. Guy Dow made a pretty setting for a quiet wedding Tuesday afternoon when Sara Ann Fleming, eldest daughter of Mr. and Mrs. Fred Fleming became the bride of Otto Martin Holmgreen, of Vancouver. Rev. Peter Dawson officiated. Following the ceremony a reception was held. Mr. and Mrs. Holmgreen are spending a honeymoon at Waterton Lakes. They will reside in Vancouver.

Local Notes

Mr. and Mrs. Max McLean, of Edmonton are visiting at the home of Mr. and Mrs. Henry Edenhoff. Mrs. Fred Steeves accompanied them and is visiting with Mr. and Mrs. J. A. Ruggles.

CHURCH NOTES

A special church service to honor the soldiers of the district during army week will be held in the community hall at 11 am Sunday. This service will be general in character and an invitation for all to attend is issued. Canon Winter will conduct the service. Rev. Peter Dawson will be absent on holidays and as there will be no United service sherants are specially invited to attend this service.

Salute to the Army will be the title of the Army week address in Carmangay Community Hall at 3 p.m. Sunday, July 5.

Local Notes

W. H. Reid, of Edmonton, is in town in connection with the Champion Airport construction work for which Mr. Reid is the contractor. Work is to commence immediately equipment arrives. The field here is to be a landing field. Mr. Reid states that a gravel road is to be built between the Champion field and Vulcan airport.

The regular meeting of the Ladies' Aid was held this week at the home of Mrs. John McDougall. The Aid decided in future that no flowers will be sent for the duration, only cards of sympathy and congratulation. Weather permitting in the near future a strawberry shortcake and bake sale will be held. A very pleasant afternoon was spent. Mrs. Cowgill and Mrs. Holister assisted the hostess in serving the delightful lunch which closed the meeting.

"I'm not going to blush when my soldier boy comes home!"

"THE WAY I look at it is this. My boy enlisted of his own free will. He's got to do without a lot of things he's been accustomed to. I wouldn't feel right if I couldn't go without something too!"

"The least I can do is to work hard and save. My kitchen, my shopping bag, my work basket are the nearest I can get to his battlefield. But I can buy War Savings Stamps — and lots of them — every week, so that he may have the tools to win. And that's what I'm doing! How about you?"

Buy War Savings Stamps from banks, post offices, telephone offices, department stores, druggists, grocers, tobacconists, book stores and other retail stores.

We should of written a real good editorial for the paper this week, but it was too darn hot so we will have to wait till next week.

Ethelwyn Hobbes

CBC's shopping expert who is heard every afternoon at 2.33 p. m. MDT over station CBK, giving consumer information to Canadian

housewives, is a westerner. She began her career on a Winnipeg newspaper. She later became a copy-writer for a large department store and there learned a great deal about consumer goods. When war broke out she decided her experience and knowledge

could be of use to other Canadian women. Getting in touch with the authorities in Ottawa, she obtained figures and facts for shoppers which she presented with Audrey Hutcheson on the CBC series, 'Shop to Save', heard all winter on alternate Wednesdays. The series proved so valuable that she is now heard weekly in a new series called Wartime Shopping.

That rubber stamp means we can say Canada's cotton textile industry is 11 times ahead of its war production records of 1914-18.

The industry is delivering about 215,000,000 yards a year of aircraft fabric, ammunition pouches, anti-gas cloth, camouflage netting, gun covers, parachute webbing, powder bags, uniform cloth, web equipment and other essential materials.

Dominion Textile is proud to have a part in this. We also wish to report that our plant employees are earning 28% more per hour than in 1939, and we pay 5.4 times more in taxes than the total paid in dividends to our several thousand shareholders.

PURE STOCKS OF CEREAL SEEDS

The most important event, each year, connected with the production of pure seed, is the annual meeting of the Canadian Seed Growers' Association. This was held during the third week in June at Olde, Alberta. Prominent seed growers from all over Canada were gathered in the Provincial School of Agriculture and Home Economics to discuss ways and means of maintaining and improving the quality of Canadian seeds. No one could attend these meetings without wondering what would happen to the yield and quality of our field crops were it not for the efforts of a comparatively small group of hard-working seed growers.

Regulations governing the production of Registered seed are made by the Canadian Seed Growers' Association. Field and seed inspections, essential to the accuracy of pedigrees and observance of purity standards, are the responsibility of the Plant Products Division, Dominion Department of Agriculture.

The various terms applied to the different types of seeds are confusing to many farmers. Actually they need not be. By purchasing Registered seed, the farmer can be assured of pedigree and performance. This is all he desires when buying a pure-bred bull or boar.

We cannot avoid the use of terms such as Foundation seed, Elite seed, Registered seed and Certified seed. Hitherto we have had First Generation Registered, 2nd, 3rd, 4th Generations, and so on. Each year, the seed is one more year removed from Elite, which produces First Generation Registered. However, the standards of purity are the same for all generations, so as long as a stock will pass field and seed inspection it might as well be just "Registered." At the Olde meeting it was decided to adopt this practice; namely, to have "First Generation Registered" and, thereafter, "Registered." The decision, however, was by no means unanimous.
